

Funding for this Proposition 68 Grant Project has been provided through the California Department of Forestry and Fire Protection (CAL FIRE) Urban and Community Forestry Program.

# CITY OF WILLITS URBAN FOREST MANAGEMENT PLAN FIRST VIRTUAL COMMUNITY MEETING

**WE WANT TO HEAR YOUR FEEDBACK AND VISION FOR THE FUTURE OF THE CITY'S TREES!**

**Please join us at our first virtual Urban Forest Management Plan Community Meeting.**

The City of Willits recognizes the important role trees play in creating a vibrant and healthy community. The Urban Forest Management Plan Community Meeting is designed to understand the values and needs of residents living in the City, and how the City can manage the urban forest to meet those needs.

The online meeting will begin with an introduction to the project and the importance of trees to living in Willits. The remaining time will be a facilitated discussion between the panelists and participants on tree related topics specific to Willits.

**Date Time: Feb 11, 2021 04:00 PM**
